COALS

\$5/EACH

Coco Nara coals are eco-friendly natural charcoals made from the shells of coconuts. These Coco Nara hookah coals are cut into flat square pieces. Coco Nara Hookah coals are odorless and tasteless. They must be lit on a stove top but they do burn up to three times longer than quick light coals and ashless than any other hookah charcoals.

FUMARI

WHITE GUMMI BEAR

A sweet candied pineapple flavor that quickly rose to top seller status.

STARBUZZ

BLUE MIST

Sweet, light, blueberry/cotton candy flavor, it's a great shisha to start with, and is perfect for daily sessions.

SEX ON THE BEACH

Lemons, Oranges, slight tropical taste, this flavor is sure to bring back memories of the drink

PINA COLADA

Controlled pineapple, coconut and vanilla overtures make a sweet Hookah flavor stay perfectly balanced and easily smoked.

AL FAKHER

BLUEBERRY

An exquisite balance of sweet and tart flavors. Blueberries are great in pies, muffins, and pancakes, imagine them in your mu'assel.

CHERRY

Cherry is sweet and uplifting. Its gentle taste will give you the feeling of eating through a bowl of fresh picked cherries on a sunny summer day in Europe.

MINT

Concentrated taste like no other for a smooth smoking experience. A timeless classic.
